REMINDER of ROAD CLOSURE

Remembrance Sunday Parade -11th November

To all Residents and Businesses at the Village Green

This letter is to remind you the above Parade and Service will take place AT THE VILLAGE GREEN. Formal Road Closures will need to take place and movement of vehicles will be prohibited between 10 am and 12 noon. This is to allow for the duration of the service at the War Memorial and for the Parade before and after the service.

As in previous years, there will be a Parade, with Band, from Old Croft Lane (adjacent to the Green) to the service at the Village Green and a March Past/Salute at the Village Green after the service.

IF YOU KNOW OR THINK YOU NEED TO MOVE YOUR OWN VEHICLE during this time on Sunday morning please do so before/after the road closures take place. Measures are being taken to keep disruption to a minimum for residents but please be reassured that access remains for emergency vehicles. Posters on display locally will show the times of the service or you can contact the Parish Council Office for more information.

Yours sincerely,

Diane Weir
Acting Clerk to the Council
