**4. Village Green Project - Guest Speaker, Ken Reid.**

The Chairman read an email from Cllr Mrs. Allen thanking members of the Working Party, Steve Crook and Sgt. O'Reilly for the hard work and enthusiasm in February. Photographs of work to date were available. The Chairman invited members to sign a letter of thanks to a local resident of The Green who had kindly donated £50 to their project. A welcome was extended to Mr. Reid who updated members on the work by the Community Payback Unit from Chelmsley Wood who were most enthusiastic about the project. Following removal of shrubs by the youth councillors during the half-term working party meeting, the remaining plants had been removed, the soil disposed of via skips and the railway sleepers collected in readiness for the plant beds/new paths. Mr. Reid commended the application to the airport and was hopeful that with multi-agency involvement it should be successful. Following discussion, **ON THE PROPOSITION** of the Chairman, **SECONDED** by Cllr Lal, **IT WAS UNANIMOUSLY RESOLVED** that for reasons of cost and efficiency, the slabs should be used for the paths, hopefully being 4' wide to the inner circle, being cut to form a circular pathway around the bench. The tree would be planted later, depending on weather and seasonal availability. Cllr Lal volunteered to draft an appeal letter, based on the airport application, to seek additional funding from a variety of local establishments. The Chairman would forward the draft to the Clerk who would make joint applications for help. The Community Day was provisionally agreed for Saturday 17<sup>th</sup> April, between 10 am-2 pm with a working party meeting on Tuesday 30<sup>th</sup> March at

**6. Ideas and Questions from Councillors.**

Cllr A Knibb suggested that members promote their activities by using photos on the website and raise their profile. Cllr Hayes commended this excellent suggestion to improve publicity. The Clerk asked members to consider their own website page or list requirements for further consideration at the next working party meeting, perhaps being similar in style but using different colours and their own logo. Cllr A. Knibb was able to consent to his photo being used but permission for other members under 18 would be required from parents.
