13. Representatives to Outside Bodies.

Cllr Knibb reported he had represented the Parish Council on 8 occasions since the last meeting and briefly summarized them as follows (more details available if required):

On 10th June he had attended Castle Bromwich Junior School for a Science visit/inspection when 4 governors attended 3 full and separate science lessons covering all 4 year groups. They were impressed with the content/delivery of lessons and quality of teaching. Notes were compared and a report made for the governing body. Also on 10th June he had attended a meeting of the scrutiny committee to establish terms of reference in accordance with guidance and instruction of the LEA and government legislation.

On Thursday 12th June he had attended a governor training session at the Civic Suite on special educational needs.

On Monday 16th June he had attended a teacher training exercise for all teachers at Castle Bromwich Junior School on recognizing and identifying Gifted and Talented pupils. He had been appointed as Governor to ensure school improvement in this area.

On Monday 23rd June, he attended a LEA training on the formation, installation and administration of a scrutiny board tailored to the specific needs of Castle Bromwich Junior School. Also on this date, he had attended a Finance and General Purposes meeting of governors of Castle Bromwich Junior School, the contents of which did not impact or affect the Parish Council.

On Monday 30th June he had attended a meeting of the Curriculum and Community of governors of Castle Bromwich Junior School, again the contents of which did not impact or affect the Parish Council.

On Tuesday 1st July, along with Cllr Mrs. Allen, he had attended the Castle Bromwich Youth Parish Council meeting and Youth Cllr Miss Ruth Jennings had been elected as Chairman. Members were continuing with their deliberations on spending the grant awarded to them for environmental and community improvement to benefit the youth of the area. With that final event he decided to be generous to everyone present and bring his report to a close.

14. Report of the Officer of the Council.

The Clerk reported that correspondence and opinions were being received about replacement of the Village Green benches, including the views of Mrs. Draycott which was tabled for members prior to future discussion; request on behalf of Sonic Communications to the Parish Council for a decision on their previous proposals; consultation invitation about the Lanchester Park proposed development; approaches to the Council for summer football pitches; request from Bromford Lions Youth FC for a charity fundraising event on 6th September. These matters would be referred to the next Leisure Services Committee meeting. After discussion, **IT WAS RESOLVED** that the Annual Inspection take place on Wednesday 23rd July at 6.30 p.m. for all members.

15. Report of the Chairman

The Chairman reported that on Wednesday 18th June, she had been invited to unveil the mosaic wall at Castle Bromwich Junior School, which had been partly funded by the donation from the Chairman's Charity Fund, which was shown on the school's website. Cllr Amos also went to help and fortunately the rain held off long enough to have a countdown to the unveiling. Mr. Backhouse, the Headteacher, explained that the children had designed it themselves and each tile had been put in place by different children. The mosaic reflected all aspects of the activities the school undertook and was beautiful. Both she and Cllr Amos had been made really welcome.

Having been away on holiday for the rest of the month, the Chairman had nothing further to report. On behalf of the Council, congratulations were extended to Cllr Ted Richards on being awarded an OBE and to the Clerk on the birth of her new grandson.

Under confidential terms, the Chairman outlined a matter for consideration.
