

Notice of traffic management – B4118 Water Orton / Birmingham Road

February 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working on behalf of HS2 Ltd to build the new high speed railway in your area.

Work will we be completing

In November of 2020 we sent out a notification to outline work we are completing in our compound area off B4118. To help continue with these works, we will be implementing temporary traffic lights on B4118 Water Orton / Birmingham Road from **22 February 2021**.

The temporary traffic lights will be in place 9:30am – 3:30pm, Monday – Friday for 4 weeks. The temporary traffic lights will enable BBV to complete vegetation clearance and create a new access point.

Once this work is finished, the traffic lights will be taken down. We then continue to work from this compound for the duration of the project. There may be other times we need to implement traffic management onto B4118. If this is the case, we will update you through HS2 community websites.

COVID-19

We are continually reviewing the works on our construction sites in line with the Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

- Subject to consent temporary traffic lights will be in place from 22 February for 4 weeks.
- Traffic management in place Mon – Fri from 9:30am – 3:30pm
- We do not have any plans to carry out work at the weekend

What to expect

- Slight increase to traffic on B4118
- Low levels of noise from our machinery
- Our workforce to be on site 1 hour before and 1 hour after, to set up and take down equipment.

What we will do

- Inform you in advance of any changes to the dates shown through hs2inwarwickshire.co.uk & hs2insolihull.co.uk
- Keep all sites safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
