

Notification of works on M42/M6 link road westbound near Water Orton

June 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

Subject to consents being accepted we will be undertaking vegetation clearance and ground investigation survey works on the M42/M6 link road westbound.

When these works will take place

The works are planned to take place overnight from Saturday 5 June until Sunday 13 June. In order to undertake our works safely, BBV will work with Highways England to implement temporary closures of the M42/M6 westbound link road from 9pm – 5am throughout the duration of works.

HS2 during the COVID-19 pandemic

We are continually reviewing the works on our construction sites in line with the Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
